Remuneration Arrangements

Accident & General Insurance Services Ltd, is an insurance intermediary. We have arrangements in place with one provider, White Horse Insurance Ireland DAC, in respect of the travel insurance we offer through Accident & General Insurance Services Ltd. We are remunerated for our services in the form of commission from the provider, which is, on average, fifty four percent of the total premium payable per policy. Our entitlement to this commission, where this forms part of or all of our remuneration, arises as soon as you give us instructions to take out or renew a particular policy. We also have other non-target driven arrangements place which allows us be remunerated if the portfolio is profitable, in the form of a profit share agreement; receive a contribution from the insurer towards our administration costs; and be paid a fee of five euro for each medical screening premium paid (where applicable).
